

Insurance

If it's worth storing, it's worth insuring.

Did you know not all insurance policies automatically cover goods in storage?

Here at National Storage, we pride ourselves on keeping New Zealand's valuables safe. We offer modern and secure premises and although incidents at our centres are rare, we always recommend you protect your possessions just as you would if they were kept at home.

For a small monthly premium that is billed monthly with your rent, National Storage is pleased to offer a special storage specific insurance policy, arranged by Arthur J. Gallagher and backed by Starr International Insurance (Singapore) Pte Ltd.

Monthly Premiums (effective 1 July 2016)

Sum Insured	Residential Premium	Commercial Premium
